

CLAIMS

The following is a complete listing of the claims pending in the present application:

1. (Once amended) A game of chance to be played in conjunction with sport contests, the game comprising:

a plurality of pre-printed game cards each marked with a common plurality of sport contests scheduled within a designated time period;

each of said game cards individually pre-printed with a unique set of predicted final statistics corresponding to said plurality of sport contests;

wherein the game cards are distributed free of charge;

determining actual final statistics of said sport contests; and

awarding a prize corresponding to a game card if at least one predicted final statistics pre-printed on that game card for a sport contest is identical to the actual final statistics of said sport contest.

2. (Original) The game according to claim 1, wherein the final statistic is the combined score.

3. (Original) The game according to claim 1, wherein the prize increases with the number of final statistics on any one card that match the actual final statistics of said sport contests.

4. (Original) The game according to claim 1, wherein the sport contests are American foot ball games.
